How We Will Calculate Your Balance: We use the Average Daily Balance method (including new transactions).

The variable penalty APR will not exceed 29.99%.

Variable APRs for each billing period are based on the Prime Rate published in *The Wall Street Journal* on the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published. If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period. Variable APRs are accurate as of 01/19/22.

OFFER TERMS

Welcome offer not available to applicants who have or have had this Card or previous versions of the Platinum Card®. We may also consider the number of American Express Cards you have opened and closed as well as other factors in making a decision on your welcome offer eligibility.

100,000 Membership Rewards® Points

You can earn 100,000 Membership Rewards® points after you spend \$6,000 or more on eligible purchases on your Platinum Card® from American Express within your first 6 months of Platinum Card® Membership starting from the date your account is approved. In rare instances, your period to spend \$6,000 may be shorter than 6 months if there is a delay in receiving your Card. Also, purchases may fall outside of the 6 month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped). Points will be credited to your Membership Rewards® account within 8-12 weeks after you meet the Threshold Amount.

To be eligible to earn the 100,000 Membership Rewards® points, you must be enrolled in the Membership Rewards® Program at the time of the eligible purchases. 100,000 Membership Rewards® points will be credited to your account after you charge a total of \$6,000 (the "Threshold Amount") or more of purchases on your Platinum Card® from American Express within the first 6 months of Platinum Card Membership starting from the date your account is approved. Eligible purchases can be made by the Basic Card Member and any Additional Card Members on a single Card account. Eligible purchases are purchases for goods and services minus returns and other credits. The following purchases do NOT count towards the Threshold Amount: fees or interest charges; purchases of travelers checks; purchases or reloading of prepaid cards; purchases of gift cards; person-to-person payments; or purchases of other cash equivalents. Points will be credited to your

Membership Rewards® account within 8-12 weeks after you meet the Threshold Amount.

If we in our sole discretion determine that you have engaged in abuse, misuse, or gaming in connection with the welcome offer in any way or that you intend to do so (for example, if you applied for one or more cards to obtain a welcome offer(s) that we did not intend for you; if you cancel or downgrade your account within 12 months after acquiring it; or if you cancel or return purchases you made to meet the Threshold Amount), we may not credit Membership Rewards® Points to, we may freeze Membership Rewards® Points credited to, or we may take away Membership Rewards® Points from your account. We may also cancel this Card account and other Card accounts you may have with us.

Your Card account must not be canceled or past due at the time of fulfillment of any offers.

American Express reserves the right to modify or revoke offer at any time.

Terms and Conditions for the Membership Rewards® program apply. Visit membershiprewards.com/terms for more information. Participating partners and available rewards are subject to change without notice.

The value of Membership Rewards points varies according to how you choose to use them. To learn more, go to www.membershiprewards.com/pointsinfo.

10x Membership Rewards – Shop Small, Global Restaurants

Earn 10x points on eligible purchases with your new Platinum Card® from American Express at restaurants worldwide and when you Shop Small in the U.S., on up to \$25,000 in combined purchases, during your first 6 months of Card Membership starting from the date your account is approved. That's an additional 9 points on top of the 1 point you earn for these purchases as a benefit of the Card.

To earn additional points when you shop small in the U.S., you must make a purchase at a business location in the U.S. on the Shop Small Map, available at americanexpress.com/shopsmalloffer, or the Online Directory, available at americanexpress.com/shopsmallonline (also referred to as a “US Shop Small Merchant” and a “US Shop Small Business”).

You may not earn additional points for purchases at a restaurant located within another establishment (e.g. a restaurant inside a hotel, casino, or event venue). For example, purchases made at a restaurant located within a hotel may be recognized as a purchase at a hotel, not a restaurant. You also will NOT earn additional points for purchases at bars, nightclubs, cafeterias, and convenience stores. Purchases at restaurants on the Shop Small Map will only earn an additional 9 points.

In rare instances, your period to earn 10x points may be shorter than 6 months if there is a delay in receiving your Card. Also, purchases may fall outside of the 6 month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped).

Purchases charged by both the Basic and Additional Card Members on the eligible Card Account are eligible for the additional points. Eligible purchases are purchases for goods and services minus returns and other credits. The following do NOT count as a qualifying purchases: fees or interest charges, cash advances, purchases of traveler's checks, purchases or reloading of prepaid Cards, purchases of any cash equivalents or purchases made in foreign currencies. You may not receive additional points if we receive inaccurate information or are otherwise unable to identify your purchase as qualified for the offer. For example, you may not receive the additional points if (a) the Merchant uses a third-party to sell their products or services except that qualifying purchases made through Resy.com and the Resy mobile app will qualify for the offer; or (b) the Merchant uses a third-party to process or submit your transaction to us (e.g., using mobile or wireless card readers); or (c) you choose to make a purchase using a third-party payment account or make a purchase using a mobile or digital wallet. Note that we may not receive information about your qualifying purchase from Merchant until all items from your qualifying purchase have been provided/shipped by Merchant. Additional points may be reversed if qualifying purchase is returned/cancelled. If we do not receive information that identifies your transaction as qualifying for the offer, you will not receive the additional points. Please allow 8-12 weeks after the qualifying purchase is charged to your Card

Account for points to be posted to the Account.

If we in our sole discretion determine that you have engaged in abuse, misuse, or gaming in connection with this offer in any way or that you intend to do so (for example, if you applied for one or more cards to obtain the offer (s) that we did not intend for you; if you cancel or downgrade your account within 12 months after acquiring it; or if you cancel or return purchases you made to receive the additional points), we may not credit points to, we may freeze points credited to, or we may take away points from your account. We may also cancel this Card account and other Card accounts you may have with us.

American Express reserves the right to modify or revoke offer at any time.

BENEFIT TERMS

The following benefits and services are subject to change or cancellation.

\$179 CLEAR Credit

You can earn up to \$179 in statement credits per calendar year when you use your Platinum Card to pay for your annual CLEAR membership. Enrollment in CLEAR is required. CLEAR memberships automatically renew each year unless canceled and CLEAR will charge the applicable membership fee to the Card CLEAR has on file. American Express has no control over the application and/or approval process for CLEAR, and does not have access to any information provided to CLEAR by the Card Member or by CLEAR to the Card Member. American Express has no liability regarding the CLEAR program. If a Card Member's application is not approved by CLEAR, CLEAR will refund the charges. If the statement credit benefit has been applied before CLEAR refunds the charges, that statement credit will be reversed. Purchases by both the Basic Card Member and any Additional Card Members on the Card Account are eligible for statement credits. However, the total amount of statement credits for eligible purchases will not exceed \$179 on the Card Account per calendar year. For additional information on the CLEAR program, including information regarding membership, eligibility, and for a list of participating locations, as well as the full terms and conditions of the program, please go to www.clearme.com. The CLEAR program is subject to change, and American Express has no control over those changes. Please allow up to 2-4 weeks after a qualifying CLEAR transaction is charged to your Card Account for the statement credit to be posted to the Account. American Express relies on accurate transaction data to identify eligible CLEAR purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 4 weeks, please call the number on the back of your Card. Card Members remain responsible for timely payment of all CLEAR charges. To be eligible for this benefit, your Card account must not be cancelled or past due at the time of statement credit fulfillment. If a charge for an eligible purchase is included in a Pay Over Time feature balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

Card Members who do not change their airline selection will remain with their current airline. **Statement Credits:** Incidental airline fees must be charged to the Card Member on the eligible Card Account for the benefit to apply. Incidental airline fees charged by both the Basic and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is eligible for up to a total of \$200 per calendar year in statement credits across all Cards on the Account. Incidental airline fees must be separate charges from airline ticket charges. Fees not charged by the Card Member's selected airline (e.g. wireless internet and fees incurred with airline alliance partners) do not qualify for statement credits. Incidental airline fees charged prior to selection of a qualifying airline are not eligible for statement credits. Airline tickets, upgrades, mileage points purchases, mileage points transfer fees, gift cards, duty free purchases, and award tickets are not deemed to be incidental fees. The airline must submit the charge under the appropriate merchant code, industry code, or required service or product identifier for the charge to be recognized as an incidental air travel fee. Please allow 2-4 weeks after the qualifying incidental air travel fee is charged to your Card Account for statement credit(s) to be posted to the Account. We rely on airlines to submit the correct information on airline transactions, so please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Card Members remain responsible for timely payment of all charges. To be eligible for this benefit, Card Account(s) must be not canceled and not past due at the time of statement credit fulfillment.

\$200 Hotel Credit

U.S. Consumer Basic and Additional Platinum Card® Members may receive up to a total of \$200 in statement credits each calendar year, across all Cards on the Account, when using their eligible Platinum Card on eligible, prepaid Fine Hotels + Resorts® and The Hotel Collection bookings made through American Express Travel (meaning through [amextravel.com](https://www.amextravel.com), the Amex® App, or by calling the phone number on the back of your eligible Platinum Card). Delta SkyMiles® Platinum Card Members are not eligible for the benefit. To receive the statement credits, an eligible Card Member must make a new booking using their eligible Platinum Card through American Express Travel on or after July 1st, 2021, that is prepaid (referred to as "Pay Now" on [amextravel.com](https://www.amextravel.com) and the Amex App), for a qualifying stay at an available, participating Fine Hotels + Resorts or The Hotel Collection property. Bookings of The Hotel Collection require a minimum stay of two consecutive nights. Eligible bookings must be made before December 31st, 11:59PM Central Time, each calendar year to be eligible for statement credits within that year. Statement credits may not be received or may be reversed if the booking is cancelled or modified. Eligible bookings do not include interest charges, cancellation fees, property fees or other similar fees, or any charges by a property to you (whether for your booking, your stay or otherwise). Please allow up to 90 days after an eligible charge is posted to your Account for the applicable statement credits to be posted to your Account. Call the number on the back of your eligible Platinum Card if statement credits have not posted by that time. If American Express does not receive information that identifies your transaction as eligible, you will not receive the statement credits. For example, your transaction will not be eligible if it is a booking: (i) made with a property not included in the Fine Hotels + Resorts or The Hotel Collection programs, (ii) not made through American Express Travel, or (iii) not made with an eligible Platinum Card. Participating properties and their availability are subject to change. If American Express, in its sole discretion, determines that you have engaged in or intend to engage in any manner of abuse, misuse, or gaming in connection with this benefit, American Express will not have an obligation to provide and may reverse any statement credits provided to you. Please refer to [AmericanExpress.com/FHR](https://www.AmericanExpress.com/FHR) and

[AmericanExpress.com/HC](https://www.AmericanExpress.com/HC) for more information about Fine Hotels + Resorts and The Hotel Collection, respectively.

\$240 Digital Entertainment Credit

Enrollment is required to receive the benefit. Only the Basic Card Member or Authorized Account Manager(s) on a U.S. Consumer Platinum Card Account can enroll in the benefit. Eligible purchases must be charged directly at the participating partners (see below) to a Basic or Additional Card on the enrolled Card Account for the benefit to apply. Purchases by both the Basic Card Member and Additional Card Members on the enrolled Card Account are eligible for statement credits. However, each Card Account is eligible for up to \$20 in statement credits per month, for a total of \$240 per calendar year in statement credits across all Cards on the Account. Only valid for transactions completed in the U.S. and U.S. Territories. Participating partners are Peacock, Audible, SiriusXM, and The New York Times. Purchases of prepaid or gift cards from third-party retailers for use at these participating partners are not eligible for this benefit.

Peacock: Eligible purchases for Peacock include Peacock Premium and Premium Plus subscriptions, subscribed directly with Peacock online at www.peacocktv.com. Eligible purchases do not include subscriptions bundled with cable services or other bundles, promotional offers through third parties, or gift cards.

Audible: All Audible purchases made directly through www.audible.com are eligible, including Audible subscriptions (Audible Plus and Audible Premium Plus) and audiobook purchases.

SiriusXM: Eligible purchases for SiriusXM include purchases made directly with SiriusXM (US) online at www.siriusxm.com, through SiriusXM telephone sales or direct mail order purchase transactions. Eligible purchases do not include SiriusXM safety, security or telematics services (connected vehicle); SiriusXM for Business subscriptions; purchases through third parties, including SiriusXM subscriptions, radios or pre-paid cards; SiriusXM ad sales; or any transactions involving SiriusXM's Stitcher or Pandora services.

Eligible purchases do not include advertising services, NYT conferences, gift cards, the TimesDigest or purchases from the NYTimes company store.

Please allow 6-8 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 8 weeks from the date of purchase. American Express relies on the merchant to process transactions within the same calendar month that you made the purchase in order to apply the \$20 monthly statement credit in the month that it was intended. For example, if you make an eligible purchase on the last day of the month, but the merchant doesn't process that transaction until the next day, then the statement credit would be applied in the following month. If American Express does not receive information that identifies your transaction as eligible for the benefit, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party (such as an app store) or if the merchant uses a mobile or wireless card reader to process it. To be eligible for this benefit, Card Account(s) must not be canceled and not past due at the time of statement credit fulfillment. If a charge for an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

Bonuses you may receive with your Card on other purchase categories or in connection with promotions or offers from American Express cannot be combined with this benefit. Any portion of a charge that you elect to cover through redemption of Membership Rewards points is not eligible to receive points. Additional terms and restrictions apply.

Merchants are assigned codes based on what they primarily sell. We group certain merchant codes into categories that are eligible for Additional Points. A purchase with a merchant will not earn

Additional Points if the merchant's code is not included in an Additional Points category. You may not receive Additional Points if we receive inaccurate information or are otherwise unable to identify your purchase as eligible for an Additional Points category. For example, you may not receive Additional Points when: a merchant uses a third-party to sell their products or services, a merchant uses a third-party to process or submit your transaction to us (e.g., using mobile or wireless card readers), or you choose to make a purchase using a third-party payment account or make a purchase using a mobile or digital wallet.

Amex Send & Split

Amex Send & Split™ ("Send & Split") is only available in the American Express® App ("Amex App") to Card Members with an eligible Card. Eligible Cards are US-issued Basic Consumer Cards that are issued by American Express National Bank and are not cancelled. Prepaid Cards, American Express Corporate Cards, American Express Small Business Cards, American Express-branded cards or account numbers issued by other financial institutions and American Express Cards issued outside of the United States are not eligible Cards. To use Send & Split, you must first have an email address on file, enroll in Send & Split in your American Express Online Account ("Online Account") and open an Amex Send™ stored balance account in the Amex App ("Send Account"). Send & Split allows you to: (i) send a person-to-person payment from your Send Account to Venmo and PayPal users ("Send") and (ii) split a Card purchase ("Split") and receive funds to your Card account as a statement credit or to your linked Venmo or PayPal account. You may use Send & Split with an Additional consumer Card that is issued in the US by American Express National Bank and is not cancelled if you also have an eligible Card in the same Online Account and that Online Account is enrolled in Send & Split. You must have or create an account with Venmo or PayPal and link your Online Account to your PayPal or Venmo account to use Send & Split. You must add money to your Send Account from your eligible Card(s) to Send to a Venmo or PayPal recipient. The money you add will be reflected in your Send Account balance. The charge on your Card for an Add Money transaction does not earn rewards and is subject to the Card's purchase APR. Once the Send from your Send Account is available in the recipient's Venmo or PayPal account, you do not have the ability to cancel the transaction. There is no fee to Send to US recipients. PayPal charges a fee to Send to non-US recipients. With Split, you can split pending or posted purchases that are made with your eligible Card in your Amex App. Once you select a purchase to Split, select the contacts you want to request to Split with. You can choose to get paid back as a statement credit to your Card account (a Split credit) or to your linked Venmo or PayPal account. Split credits to your Card account apply when we receive confirmation that the Split request was completed but may take 24-36 hours to post to your Card account. You are still responsible to pay the full purchase amount charged to your Card, regardless of whether you are paid back via Split. You earn rewards for purchases that you split in the same way that you earn rewards for other purchases. Other eligibility and restrictions apply. Fee Credit for Global Entry or TSA Pre✓®

The benefit is available to (i) Corporate Gold Card Members, (ii) Consumer Platinum Card® Members, Corporate Platinum Card® Members and Business Platinum Card® Members, and (iii) Centurion® Card Members. The benefit is also available to Additional Card Members on eligible Consumer and Business Platinum and Centurion Card accounts. To receive the statement credit, Additional Card Members must charge the application fee to the eligible Additional Card account. Card Members and Additional Card Members on eligible accounts will receive the statement credit for a 5-year program option, all other term options are not eligible to receive the statement credit. Card Members are eligible to receive a statement credit every 4.5 years for the application fee for TSA Pre✓® and every 4 years for Global Entry when charged to an eligible Card. Card Members will receive a statement credit for the first program (either Global Entry or TSA Pre✓®) to which they apply and pay for with their eligible Card regardless of whether they are approved for Global Entry or TSA Pre✓®. However, Card Members can receive no more than one credit for up to \$85 for TSA Pre✓® or \$100 credit for Global Entry (but not both programs), depending upon the program the Card Member first applies for, for an application fee charged to an eligible Card. American Express has no control over the application and/or approval process for Global Entry or TSA Pre✓®, and does not have access to any information provided to the government by the Card Member or by the government to the Card Member. American Express has no liability regarding the Global Entry or TSA Pre✓® Programs. U.S. Customs and Border Protection (CBP) (for Global Entry) and U.S. Transportation Security Administration (TSA) (for TSA Pre✓®) charge an application fee to process each respective application regardless of whether the Card Member's application is approved. The Department of Homeland Security may suspend acceptance of applications on any basis at its

discretion. American Express will provide a statement credit for the application fee regardless of the decision made by CBP (for Global Entry) or TSA (for TSA Pre✓®) but will not provide a statement credit for subsequent application fees charged to the same eligible Card within 4 years (for Global Entry) or 4.5 years (for TSA Pre✓®), even if the original application is rejected.

Membership for Global Entry or TSA Pre✓® is per person, and a separate application must be completed for each individual.

For additional information on the Global Entry or TSA Pre✓® programs, including information regarding the application and/or approval process and for a list of participating airlines and airports, as well as the full terms and conditions of the programs, please go to www.cbp.gov/travel/trusted-traveler-programs/global-entry for Global Entry and www.tsa.gov for TSA Pre✓®. The Global Entry or TSA Pre✓® programs are subject to change, and American Express has no control over those changes.

The statement credit benefit applies to the Global Entry or TSA Pre✓® programs only. Other program applications including, but not limited to, NEXUS, SENTRI, and Privium are not eligible for the statement credit benefit.

Please allow up to 8 weeks after the qualifying Global Entry or TSA Pre✓® transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. American Express relies on accurate transaction data to identify eligible Global Entry and TSA Pre✓® purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, simply call the number on the back of your Card. Card Members are responsible for payment of all application charges until the statement credit posts to the Card account. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment.

Global Entry Fee Credit Option:

Global Entry is a CBP program that allows expedited clearance for pre-approved, low-risk international travelers upon arrival in the United States. Global Entry membership also includes access to the TSA Pre✓® program with no additional application or fee required. If a Card Member applies separately for TSA Pre✓® with the same eligible Card, the TSA Pre✓® application fee is not eligible for a statement credit.

To receive the \$100 Global Entry statement credit, Card Members must pay for the \$100 Global Entry application fee with an eligible Card. Additional Cards on eligible Consumer and Business accounts are also eligible for the \$100 statement credit. To receive the statement credit, the Global Entry application fee must be charged on the eligible Additional Card. Global Entry members can opt-in to TSA Pre✓® by entering their Global Entry membership number (PASS ID) in the "Known Traveler Number" field each time a flight reservation is made on a participating airline. Alternatively, Card Members can add their Global Entry PASS ID to their frequent flyer profile(s) with the participating airline(s) and then ensure that their frequent flyer number is entered for each flight booking. If approved, membership into the Global Entry program is valid for 5 years and subject to the program's terms and conditions. You must re-apply for the Global Entry program every five years for continuous benefits.

TSA Pre✓® Fee Credit Option:

TSA Pre✓® is an intelligence-driven risk based program managed by TSA that allows low-risk travelers to experience faster, more efficient screening at participating U.S. airport checkpoints for domestic and international travel. The TSA Pre✓® application program is a DHS Trusted Traveler program. TSA began accepting TSA Pre✓® applications on Wednesday, Dec. 4, 2013. Enrolling in TSA Pre✓® does not guarantee selection for expedited screening each time a passenger travels.

To receive the TSA Pre✓® statement credit of up to \$85, a Card Member must pay for the TSA Pre✓® application fee through any Authorized Enrollment Provider with their eligible Card. Additional Cards on eligible Consumer and Business Card accounts are also eligible for the statement credit of up to \$85. To receive the statement credit, the TSA Pre✓® application fee must be charged on the eligible Additional Card. If approved, Membership into the TSA Pre✓® program is valid for the duration of the plan that the Card Member selected and subject to the program's terms and conditions. Card Members will not receive a statement credit for a plan duration that is less than five years.

Fine Hotels + Resorts[®] program benefits are available for new bookings made through American Express Travel with participating properties and are valid only for eligible U.S. Consumer, Business, and Corporate Platinum Card[®] Members and Centurion[®] Members (Delta SkyMiles[®] Platinum Card Members are not eligible). Bookings must be made using an eligible Card and must be paid using that Card, or another American Express[®] Card, in the eligible Card Member's name, and that Card Member must be traveling on the itinerary booked. The type of experience credit and daily breakfast (for two) varies by property; the experience credit will be applied to eligible charges up to the amount of the experience credit. Advance reservations are recommended for certain experience credits. If the cost of Wi-Fi is included in a mandatory property fee, a daily credit of that amount will be applied at check-out. Benefits are applied per room, per stay (with a three-room limit per stay); back-to-back stays within a 24-hour period at the same property are considered one stay. Benefit restrictions vary by property. Benefits cannot be redeemed for cash and are not combinable with other offers unless indicated. Benefits must be used during the stay booked. Any credits applicable are applied at check-out in USD or the local currency equivalent. Benefits, participating properties, and availability and amenities at those properties are subject to change.

Global Dining Access by Resy

The Global Dining Access program ("GDA") is a benefit available to eligible Card Members. "Eligible Card Members" are account holders of Platinum Card[®] or Centurion[®] Card from American Express, Business Platinum Card[®], Business Centurion[®] Card from American Express, Corporate Platinum Card[®] or Corporate Centurion[®] Card from American Express, Delta SkyMiles[®] Reserve American Express Card, Delta SkyMiles[®] Reserve Business American Express Card, and Hilton Honors American Express Aspire Card (and any Additional Card Member(s) on their accounts). GDA may not be available for Cards issued from some countries. GDA provides eligible Card Members with (a) access to exclusive reservations, (b) Priority Notify, which allows GDA members to set notifications to be in the first group notified when tables become available before they are made available to other Resy users, and (c) access to exclusive events. GDA reservations are accessible through the Resy iOS App and Website ("Resy Sites") and Concierge. Some features of GDA, like Priority Notify, may not be available through Concierge. To access this benefit through the Resy iOS App, you must download the Resy App; or if you already have the Resy iOS App, ensure the latest update is downloaded. When using the Resy Sites, create a Resy account or log into your existing Resy account and add your eligible Card to your Resy account. If you are assigned a new Card number, you must update the Card number in your Resy account. When you use GDA, a badge will be placed on your Resy profile, letting restaurants know that you are a member of the GDA program. Reservations are based on a first-come, first-served basis. In the event of a reservation cancellation, you will be subject to the restaurant's cancellation policy. Generally, same-day reservations that are not booked by GDA members are released back to restaurants at certain times of day that vary across restaurant policies. American Express and Resy make no representations or warranties regarding the availability of reservations, events, and/or experiences, which shall at all times be subject to availability and the discretion of the applicable restaurant. American Express and Resy are not responsible for informing the restaurants of any dietary restrictions or for a restaurant being able to accommodate such restrictions. There is no cost to you for booking services through GDA, although you are responsible for any purchases or fees you authorize to be charged to your Card account. GDA reservations and events are intended for personal use only and cannot be resold or used for commercial purposes. By participating in the GDA program, you are accepting these GDA terms and conditions, which are in addition to and do not replace the Resy Sites' Terms of Service. To be eligible for this benefit, your Card account must not be cancelled.

For pre-paid reservations, your claim must be submitted prior to your stay, before the date of check-in. Membership Rewards® Pay With Points

To use Pay with Points, you must charge your eligible purchase through American Express Travel to a Membership Rewards® program-enrolled American Express® Card. Eligible purchases through American Express Travel exclude non-prepaid car rentals and non-prepaid hotels. Points will be

debited from your Membership Rewards account, and credit for corresponding dollar amount will be issued to the American Express Card account used. If points redeemed do not cover entire amount, the balance of purchase price will remain on the American Express Card account. Minimum redemption 5,000 points.

See membershiprewards.com/terms for the Membership Rewards program terms and conditions.

If a charge for a purchase is included in a Pay Over Time balance on your Linked Account the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead the statement credit may be applied to your Pay in Full balance. If you believe this has occurred, please contact us by calling the number on the back of your Card.

Membership Rewards® Program

Terms and Conditions for the Membership Rewards® program apply. Visit membershiprewards.com/terms for more information. Participating partners and available rewards are subject to change without notice.

The value of Membership Rewards points varies according to how you choose to use them. To learn more, go to www.membershiprewards.com/pointsinfo.

Membership Rewards® Program - Transfer Points (Domestic Airlines)

Enrollment in a participating Frequent Flyer program is required. Airline tickets are subject to availability. For each conversion of points into the Frequent Flyer program of a U.S. airline, a fee of \$0.0006 per point, with a maximum fee of \$99, will be charged to your Card account. We charge this fee to offset the federal excise tax we must pay on such conversions. The fee may be more or less than the actual amount of the excise tax we pay on any individual conversion. We may offer you the option to redeem points to cover this fee.

No Foreign Transaction Fees

American Express will not charge any foreign transaction fee on the purchases you make outside of the United States with your Card. However, there may be circumstances where ATMs or merchants charge a fee on foreign transactions.

No Preset Spending Limit

No Preset Spending Limit means your spending limit is flexible. Unlike a traditional card with a set limit, the amount you can spend adapts based on factors such as your purchase, payment, and credit history.

Pay It Plan It®

Pay It®

Pay It® is only available in the American Express App® for your eligible Account. With the Pay It feature, you can make a payment equal to the amount of a billed purchase less than \$100. Payments made with Pay It are not applied to that billed purchase but to your outstanding balance in accordance with how we apply payments.

Your account is eligible for Pay It if you are a Basic Card Member or Additional Card Member of a Card account issued by a U.S. banking subsidiary of American Express that is not canceled, excluding Accounts that do not have either a Credit Limit or the Pay Over Time feature. Prepaid Cards and products, American Express Corporate Cards, American Express Small Business Cards and American Express-branded Cards or account numbers issued by other financial institutions are not eligible.

Plan It®

With Plan It®, you can create up to 10 active payment plans, each subject to a plan fee. The plan fee is a fixed finance charge that will be charged each month that the corresponding plan is active.

To create a plan, select qualifying purchases of \$100 or more and a plan duration. If you have a Card with a Credit Limit, you may also be able to select a qualifying amount of \$100 or more and a plan duration. When creating a plan for purchases, you may select up to 10 qualifying purchases for each plan that you create in your American Express online Account. However, you may select only one qualifying purchase for each plan that you create in the American Express App. Plan duration options may vary depending on the total dollar amount of the qualifying purchases (or qualifying amount, if you have a Card with a Credit Limit) you move into a Plan. Qualifying purchases will be identified in your American Express online Account and American Express App. Qualifying purchases (or a qualifying amount, if you have a Card with a Credit Limit) do not include purchases of cash or cash equivalents, purchases subject to Foreign Transaction Fees, or any fee owed to us, including Annual Membership fees. Unless you are creating a plan at checkout, please allow 2-3 days for your purchase to post to your account. Once your purchase posts and is no longer pending, you can create a plan for that purchase.

Your ability to create plans will be based on a variety of factors such as your creditworthiness, and your Credit Limit or Pay Over Time Limit, as applicable. The Pay Over Time Limit applies to the total of your Pay Over Time, Cash Advance, and Plan balances. You may not be able to create a plan if it would cause you to exceed your Pay Over Time Limit or cause your Plan balance to exceed 95% of your Account Total New Balance on your last billing statement. You will not be able to create plans if your Pay Over Time feature is suspended or your Account is canceled. You will also not be able to create plans if one or more of your American Express Accounts is enrolled in a payment program, has a payment that is returned unpaid, or is past due. The number and length of plan duration options offered to you, the number of active plans you can have at a time, and your ability to include multiple qualifying purchases in a single plan, will be at our discretion and will be based on a variety of factors such as your creditworthiness, the purchase amount(s), and your Account history. After a plan is paid in full, it will be removed from your Account in the next billing period.

Plan It is available on Card Accounts issued by a U.S. banking subsidiary of American Express, excluding Accounts that do not have either a Credit Limit or the Pay Over Time feature. Only the Basic Card Member or Authorized Account Managers on the Account can create a plan. Prepaid Cards and products, American Express Corporate Cards, American Express Small Business Cards and American Express-branded Cards or Account numbers issued by other financial institutions are not eligible.

Pay Over Time

Eligible charges

Purchases (including any associated foreign transaction fees) and Annual Membership Fees are eligible. The following types of charges are ineligible for Pay Over Time: Cash Advances, including cash and other cash equivalents, certain insurance premiums, and any other fees owed to American Express.

Pay Over Time

The Pay Over Time feature on your account has two settings: Active and Inactive. At Account opening, the Pay Over Time feature on your Account is set to Active. This means all eligible charges made on your account will automatically be added to your Pay Over Time balance. If the Pay Over Time feature is active at 8 p.m. Eastern Time on the transaction date provided by the merchant or on the date when an eligible Annual Membership Fee is charged to your Account, then we will automatically add the charge to your Pay Over Time balance. The transaction date provided by the merchant may differ from the date you made the purchase if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date. If the Pay Over Time feature is inactive at 8 p.m. Eastern Time, no new charges will be automatically added to your Pay Over Time balance. To view or change your Pay Over Time setting, visit your online account or call the number on the back of your Card.

Pay Over Time Limit

We assign a Pay Over Time Limit to your Account. The Pay Over Time Limit applies to the total of your Pay Over Time, Cash Advance, and Plan balances. Your Pay Over Time balance cannot exceed your Pay Over Time Limit. When there is a delay in posting cash advances or plans to your Account, the total of your Pay Over Time, Cash Advance, and Plan balances may exceed your Pay Over Time Limit. We may approve or decline a charge regardless of whether your card account balance

exceeds or does not exceed your Pay Over Time Limit. This is not a spending limit. You must pay at least the Minimum Payment Due by the Payment Due Date each month. The Minimum Payment Due includes all charges that were not added to a Pay Over Time and/or Cash Advance or Plan balance plus a portion of your Pay Over Time and/or Cash Advance balance, any interest accrued, and any Plan Payment Due.

Interest on Your Pay Over Time Balance(s)

For charges added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each charge. We will not charge interest on charges automatically added to your Pay Over Time balances if you pay the Account Total New Balance by the Payment Due Date each month. You must pay in full, by the Payment Due Date, all charges that are not added to a Pay Over Time, Cash Advance, or Plan balance. We will begin charging interest on cash advances on the transaction date.

For new Wheels Up Core and Connect Memberships (each a "Membership"), applicable initiation fee discounts and initiation flight credits will be automatically applied at the time a Card Member purchases such a Membership. After renewing a Membership, if a Card Member purchases a fund program, applicable fund program flight credits will be added to their account immediately. Card Members who purchase a Membership are not required to make purchases with a Qualifying Card to receive the associated initiation discount or fund program flight credit. Initiation flight credits will be available one-time only, in the first year of Membership, and fund program flight credits will be available annually in subsequent years of Membership. Flight credits are not refundable or exchangeable for cash or statement credits. Initiation flight credits must be used within 12 months of enrollment in a Membership and will be automatically applied to the first flight purchased by a Card Member with a Membership within that time period. Applicable fund program flight credits will be automatically added to the Card Member's Wheels Up account and must be used within 12 months of the date the credit is added to the Card Member's Wheels Up account and will be automatically applied to the first flight purchased by a Card Member following the purchase of the fund program within that time period. If an eligible Card Member's Qualifying Card is cancelled after purchasing a Wheels Up Membership, the Card Member's Wheels Up Membership will not be cancelled and will continue for remainder of the Membership term. Wheels Up will allow Card Members to use any remaining, unexpired initiation flight credits or fund program flight credits for the remainder of their current Membership term.

Marketplace Access: Transaction Fee Waiver

Card Members enrolled in Marketplace Access are entitled to receive a waiver of up to two Wheels Up transaction fees per year of enrollment, depending on Qualifying Card type, and must complete the applicable transaction with a Qualifying Card in order to receive the transaction fee waiver.

Connect Memberships and Marketplace Access: Guaranteed Hourly Rates

Guaranteed hourly rate trips are available with Marketplace Access and Connect Memberships and subject to minimum booking time and flight time requirements. Guaranteed hourly rates are available only for round-trip flights entirely within the continental U.S. on select aircraft types.

Existing Wheels Up Memberships (prior to July 1, 2021)

If a Card Member with a Qualifying Card has an existing Wheels Up Membership prior to July 1, 2021, the Card Member is not eligible for any initiation-related portions of the Program (i.e., discounted initiation fees or initial flight credits) but will be eligible for other available benefits of the Program. Card Members with a Qualifying Card and Marketplace Access are eligible for initiation-related portions of the Program if they purchase a Wheels Up Membership. If the eligible Card Member would like to upgrade or downgrade their Membership level and apply the Program benefits to their new Membership level, they will be prompted to call Wheels Up customer service to do so. The amount due in Initiation Fees at the upgraded or downgraded Membership level will be subject to Wheels Up's membership agreement and terms and conditions.

General Terms

Available discounts and credits may not be combined with other offers of the same type (e.g., initiation discounts cannot be combined with other initiation discounts) and are non-transferable. All participation in the Program is subject to Wheels Up's membership agreement and other terms and conditions applicable to your use of Wheels Up services including without limitation blackout dates, minimum booking times and flight time requirements. Membership levels and benefits are subject to change.

If a Card Member changes Qualifying Card types, Wheels Up will change its fulfillment of the

Shop Saks with Platinum

Only the Basic Card Member or Authorized Account Manager(s) on a U.S. Consumer Platinum Card® Account can enroll in the benefit. Eligible purchases must be charged to the enrolled Card Account for the benefit to apply. Purchases by both the enrolled Basic Card Member and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is only eligible for up to a \$50 statement credit from January through June and up to a \$50 statement credit from July through December for a total of \$100 per calendar year in statement credits across all Cards on the Account. Valid at Saks Fifth Avenue online or at locations in the US and US Territories. Not valid on Saks Fifth Avenue Gift Cards or purchases at Saks OFF 5TH Avenue Store locations and saksoff5th.com. Excludes purchases at restaurants located within the store and Online Bill Pay for Saks Credit. Not valid on online purchases shipped outside of the US. Please allow 2-4 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Purchases may fall outside of the 6-month benefit period in which the purchase was made in some cases due to a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction (for example, the purchase date for online orders may be the shipping date). In this case your purchase would apply toward the statement credit available in the next 6-month benefit period. Statement credit may be reversed if the eligible purchase is returned/cancelled. If American Express does not receive information that identifies your transaction as eligible for the benefit, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made

directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party or if the merchant uses a mobile or wireless card reader to process it. To be eligible for this benefit, Card Account(s) must be not canceled and not past due at the time of statement credits fulfillment. If a charge for an eligible purchase is included in a Pay Over Time feature balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

SoulCycle At-Home Bike Credit

Basic Card Members and Additional Card Members on U.S. Consumer Platinum Card Accounts are eligible to receive a \$300 statement credit when using their Card to make a single purchase of a SoulCycle At-Home Bike online at www.equinoxplus.com/amexbikebenefit. A 12-month Equinox+ membership (\$40/month plus applicable tax) is required to purchase a SoulCycle At-Home bike. The SoulCycle At-Home Bike is available to purchase and ship in the 48 contiguous United States and Washington, D.C. Platinum Card Members can receive the \$300 statement credit on up to 15 individual SoulCycle At-Home Bike purchases per calendar year. Purchases made in-store or through the Equinox mobile app are not eligible for the statement credit. Not valid on purchases of gift cards or purchases of the SoulCycle At-Home Bike made using a financing option at the time of purchase. Equinox+ memberships and accessories purchased separately from a SoulCycle At-Home Bike are not eligible for the statement credit. See the SoulCycle At-Home Bike website for shipping and return policies and restrictions. Limit of 1 statement credit per purchase of a SoulCycle At-Home Bike. Statement credits typically post to the account within 48 hours but may take up to 6-8 weeks after an eligible purchase is charged to your Card Account. To be eligible for this benefit, the Card Account must not be canceled and not past due at the time of statement credit fulfillment. If American Express, in its sole discretion, determines that you have engaged in or intend to engage in any manner of abuse, misuse, or gaming in connection with this benefit, American Express will not have an obligation to provide statement credits and may reverse any statement credits provided to you. If a charge for an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the statement credit may be applied to your Pay In Full balance.

For additional information, call the number on the back of your Card.

Spending Limits

When you request that we apply a limit as described below on Charges incurred by an Additional Card Member on your Account, you agree to these terms. These terms supplement, and are incorporated by reference into, the terms of your Card Member Agreement.

At your request, we may agree to apply a limit to the total dollar amount of Purchases, during each billing period, that are charged to Card numbers associated with one or more specified Additional Card Members on your Account. At your request, we may agree to apply a limit to the total dollar amount of cash access transactions at ATMs, during each billing period, that are made using Card numbers associated with one or more specified Additional Card Members on your Account. If we agree to apply a limit, it is not a guarantee that the Additional Card Member will be able to make Purchases or cash access transactions up to the applicable limit. In applying any limit we will not take into account any credits (such as for returned merchandise or for payments), even if a credit relates to a Purchase made by the Additional Card Member. Any request that we change a limit may not be effective until a subsequent billing period. Any Charges (as defined below) incurred by the Additional Card Member prior to the date during a billing period that we apply the limit will not be subject to the limit for that billing period.

Because of systems or administrative considerations, arrangements with merchants, or for other business reasons, we may, but are not required to, treat some Purchases and/or cash access transactions (collectively, Charges) as not being subject to any such limits. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. While we typically require merchants to obtain an authorization for purchases and submit final transaction documentation for payment in a timely

manner, a limit may not apply or may be exceeded when a merchant does not obtain an authorization for any reason; when a merchant obtains an authorization for a partial amount of the final charge submitted to us for payment; or when such submissions are not submitted or processed at the same time that the authorization is obtained. Examples may include, but are not limited to: Charges made outside of the U.S., in duty-free stores, or on board airplanes or cruise vessels; international airline ticket Purchases; vehicle rentals; lodging stays extended beyond original reservation period; certain mail order Purchases; Purchases billed on a recurring basis; Purchases at gas stations; telecommunications charges, including charges incurred with calling cards; taxicab charges; security deposits; late, damage or other fees in connection with rentals; Purchases billed in installments; restaurant tips and other gratuities; and Charges that occur before the end of billing period, if the Charge is posted to your Account after the Closing Date of that billing period. Any limit will not be applied to Charges for foreign currency or for travelers cheques or gift cheques obtained other than by telephone from us.

The Spending Limit for the Additional Card Member(s) is optional. If no Spending Limit is set on the Additional Card, spending capacity on this Card will be subject to the Basic Card Member's account terms and conditions.

Upgrade with Points Terms and Conditions

When you use Upgrade with Points to request an airline ticket upgrade, three things will happen: (i) If the airline upgrades your ticket(s), your Card Account will be charged for the upgrade; (ii) American Express will deduct the Membership Rewards points you offered for the upgrade from your program

account; and (iii) American Express will apply an accompanying credit to your Card Account for those points. If the airline upgrades your ticket(s) and the number of points available in your Membership Rewards program account is less than the number of points you originally offered, American Express will deduct only the number of points available and you will receive an accompanying credit only for that number of points. The credit to your Card Account may appear during a different billing cycle than the charge for upgrade. You are still responsible for paying the amount due on your Card statement by the due date. Any applicable taxes and fees in connection with an airline ticket upgrade will be charged to your Card Account and cannot be covered with points. The value of the points you offer is determined at the time your upgrade offer is accepted by the airline and may change after your upgrade offer has been submitted if you subsequently upgrade or downgrade your Card Account. Once accepted by the airline, your upgrade offer is nonrefundable, non-changeable, and points cannot be returned to your Membership Rewards program account.

Each airline determines whether to accept upgrade offers and which upgrade offers it will accept based on factors it determines in its discretion, including the amount of an offer. While it is possible for airlines to accept an upgrade offer at any time after offer submission, most upgrades are processed between 5 and 1 days before departure, and some are processed as close as 1 hour before departure. If your flight reservation includes tickets for more than one passenger, the tickets for all passengers on the reservation will be upgraded if your upgrade offer is accepted by the airline. If you would like to upgrade only certain passengers, you must contact the airline to split your reservation prior to requesting an upgrade.

If your Card offers additional points for flights purchased directly from an airline, you will not receive additional points for your upgrade purchase.

Participating airlines' Terms & Conditions apply. Participating airlines are subject to change at any time without notice. Participating airline products and services are subject to change. American Express reserves the right to cancel any upgrade offers or discontinue the Upgrade with Points program at any time.

If you use a Pay Over Time feature for a purchase using Upgrade with Points, the statement credit you receive may not be applied to that feature. Instead, it might be applied to your Pay in Full balance. If you think this has happened, please call us using the number on the back of your Card.

Using Points for Charges

You can use points to cover eligible charges on your Card Account only if you're the Basic Card or Basic Business Card Member. You also may be able to use points for this purpose if you're the Account Manager or Rewards Manager for a Card Account. Corporate Card Members are not eligible.

The list of eligible charges can change from time to time without notice. We do not have to make any charges eligible for you to cover with points.

Generally, an eligible charge is one that:

- Occurs in the U.S. or in a U.S. territory
- Appears in your recent activity online or in your current statement
- Has never been disputed
- Is at least \$1

You may use points only toward the entire amount of an eligible charge.

We'll deduct the points from your Rewards Account right away and we'll credit your Card Account within 48 hours.

If we process the credit after your Card Account's closing date, it will not appear until your next statement. In this case, you must still pay the amount due on your current Card statement by the due date.

Offer Terms

If a limited time offer appears, it is valid for solicited U.S. Membership Rewards® program enrollees only. Offer is not transferable and may not be combined with other offers. American Express in its

sole discretion reserves the right to alter and or terminate this offer at any time. If you return to redeem points later, this offer may no longer be available. To be eligible to receive this offer, all Card accounts linked to an enrollee's Membership Rewards program account must not be canceled, past due or have a returned payment outstanding at the time of point redemption. Individual terms, conditions and restrictions apply to the respective Membership Rewards offers.

Walmart+ Monthly Membership Credit

You can receive a statement credit for the Walmart+ monthly membership fee (\$12.95 + applicable taxes) when you use your U.S. Consumer Platinum Card to pay for your Walmart+ monthly membership. Enrollment in Walmart+ monthly membership is required. If you are already enrolled in the Walmart+ monthly membership, you will begin receiving your monthly statement credit after your Walmart+ monthly membership fee is charged to your Card. If you are enrolled in the Walmart+ annual membership, you will not be eligible to receive monthly statement credits for that annual membership. To receive the credit, you must switch your Walmart+ annual membership at least one day before your annual renewal date, to a Walmart+ monthly membership. If you do not switch before your renewal date, your Walmart+ annual membership will automatically renew and the account will not receive the monthly statement credit for the annual membership fee. To switch your Walmart+ annual membership to a monthly membership, please update your membership type by visiting www.walmart.com/plus/amexplatinum or by calling 1 (800) 925-6278. Once enrolled in a Walmart+ monthly membership, your membership will automatically renew each month unless canceled and Walmart will charge the applicable membership fee to the Card Walmart has on file. To receive a monthly statement credit, you must have an eligible U.S. Consumer Platinum Card on file with Walmart and use that card to pay for the Walmart+ monthly membership fee. American Express has no control over the approval process for Walmart+ and does not have access to any information provided to Walmart by the Card Member or by Walmart to the Card Member. A statement credit will be provided for only one Walmart+ monthly membership fee per Card Account per month, whether enrollment is made by the Basic Card Member or an Additional Card Member. Enrollment in the Walmart+ membership program is subject to the full Walmart+ Terms of Use (including the Walmart.com Terms of Use), found here: www.walmart.com/plus/amexplatinum/terms. For additional information on Walmart+ memberships, including a summary of their benefits and benefit availability, please go to www.walmart.com/plus. American Express has no control over, or responsibility for, the Walmart+ membership program which is subject to change according to the Walmart+ terms. Please allow up to 6-8 weeks after a qualifying Walmart+ monthly membership fee is charged to your Card Account for the statement credit to be posted to the Account. American Express relies on accurate transaction data to identify eligible Walmart+ membership purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, please call the number on the back of your Card. To be eligible for this benefit, your Card account must not be cancelled or past due at the time of statement credit fulfillment. If a charge or an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.
