The variable penalty APR will not exceed 29.99%.

Variable APRs for each billing period are based on the Prime Rate published in *The Wall Street Journal* on the Closing Date of the billing period. *The Wall Street Journal* may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published. If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period. Variable APRs are accurate as of 01/19/22.

OFFER TERMS

Welcome offer not available to applicants who have or have had this Card or the Premier Rewards Gold Card. We may also consider the number of American Express Cards you have opened and closed as well as other factors in making a decision on your welcome offer eligibility.

Earn 60,000 Membership Rewards® Points

You must charge \$4,000 (the "Threshold Amount") of eligible purchases on the American Express® Gold Card within the first 3 months of Card Membership to earn the 60,000 Membership Rewards® points starting from the date your account is approved. Points will be credited to your Program account within 8-12 weeks after you have met the Threshold Amount.

If we in our sole discretion determine that you have engaged in abuse, misuse, or gaming in connection with the welcome offer in any way or that you intend to do so (for example, if you applied for one or more cards to obtain a welcome offer(s) that we did not intend for you; if you cancel or downgrade your account within 12 months after acquiring it; or if you cancel or return purchases you made to meet the Threshold Amount), we may not credit Membership Rewards® points to, we may freeze Membership Rewards® points credited to, or we may take away Membership Rewards® points from your account. We may also cancel this Card account and other Card accounts you may have with us.

Eligible purchases can be made by the Basic Card Member and any Additional Card Members on a single Card account. Eligible purchases are purchases for goods and services minus returns and other credits and do NOT include: fees or interest charges; purchases of travelers checks; purchases or reloading of prepaid cards; purchases of gift cards; person-to-person payments; or purchases of

other cash equivalents. Some American Express® Cards are not eligible for enrollment in the program. Your Card account must not be canceled or past due at the time of fulfillment of any offers.

You can earn 60,000 Membership Rewards® points after you spend \$4,000 or more on eligible purchases on your Card within your first 3 months of Card Membership starting from the date your account is approved. In rare instances, your period to spend \$4,000 may be shorter than 3 months if there is a delay in receiving your Card. Also, purchases may fall outside of the 3 month period in some cases, such as a delay in merchants submitting transactions to us or if the purchase date differs from the date you made the transaction. (For example, if you buy goods online, the purchase date may be the date the goods are shipped). Points will be credited to your Program account within 8-12 weeks after you have met the Threshold Amount.

American Express reserves the right to modify or revoke offer at any time.

Terms and Conditions for the Membership Rewards® program apply. Visit membershiprewards.com/terms for more information. Participating partners and available rewards are subject to change without notice.

The value of Membership Rewards points varies according to how you choose to use them. To learn more, go to www.membershiprewards.com/pointsinfo.

The annual fee for the American Express® Gold Card is \$250. There is no annual fee for up to 5 Additional Cards. The annual fee for 6 or more Additional Cards is \$35 for each Card.

BENEFIT TERMS

The following benefits and services are subject to change or cancellation.

\$120 Dining Credit

To receive this benefit, Card Members must enroll. Only the Basic Card Member or Authorized Account Manager(s) on a U.S. Consumer Gold Card Account can enroll in the benefit. Traditional Gold, Senior Gold, and Classic Gold are not eligible. Eligible purchases must be charged to a Card Member on the enrolled Card Account for the benefit to apply. Purchases by both the Basic Card Member and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is eligible for up to a \$10 statement credit per month, for a total of \$120 per calendar year in statement credits across all Cards on the Account. Participating partners are Grubhub, Seamless, The Cheesecake Factory, Ruth's Chris Steak House, Boxed, and participating Shake Shack locations. Excludes Shake Shack locations in ballparks, stadiums, airports and racetracks. To view all participating partners, visit americanexpress.com/gold. Not valid on gift cards or merchandise purchases. Only valid for transactions completed in the United States of America, and US Territories. Please allow 2-4 weeks after an eligible purchase is charged to your Card Account for statement credit(s) to be posted to the Account. Please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. American Express relies on the merchant to process transactions within the same calendar month that you made the purchase in order to apply the \$10 monthly statement credit in the month that it was intended. For example, if you make an eligible purchase on the last day of the month and the merchant doesn't process that transaction until the next day, the transaction date will reflect the next day's date and the statement credit would be applied in the following month. Purchases posted after 120 days from the transaction date will not be considered for a Dining Benefit credit. If American Express does not receive information that identifies your transaction as eligible for the benefit, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party or if the merchant uses a mobile or wireless card reader to process it. To be eligible for this benefit, Card Account(s) must not be canceled and not past due at the time of statement credit fulfillment. If a charge for an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the

statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

\$120 Uber Cash

Basic Card Members on a Consumer U.S. American Express® Gold Card are eligible for \$10 in Uber Cash each month ("Amex Benefit"), subject to these Terms and Conditions. To receive this benefit, you must have downloaded the latest version of the Uber App and your eligible American Express Gold Card must be a method of payment in your Uber account. The Amex Benefit may only be used in the United States.

To be eligible for the Amex Benefit, your Card Account must not be canceled or past due. American Express reserves the right to suspend your eligibility for the Amex Benefit if we suspect any violation or abuse. To continue to receive the Amex Benefit, the details for your eligible Card must be kept up to date in your Uber Account. Cards added to your Uber account through a third party such as Apple Pay or PayPal will not be eligible. An eligible American Express Gold Card may receive the Amex Benefit on one Uber account. If the same Card is added to multiple Uber accounts, only the first Uber account to which the Card is added will receive the Amex Benefit. If your American Express Card details change, you will need to make required updates to your Card details in your Uber payment profile before the end of the current month to ensure you remain enrolled in the Amex Benefit. If you do not update your Card details prior to the first day of the following month, you may need to re-enroll to continue to receive your Amex benefit.

It may take up to 24 hours for the Amex Benefit to become available in your Uber account after your eligible Card has been added to that account. The Amex Benefit is found within your Uber Cash balance. In order to use the Amex Benefit, Uber Cash must be turned on. If Uber Cash is turned on when you request a ride, Uber Cash will appear above the confirmation button. If Uber Cash does not appear above the confirmation button, tap on the current payment option and turn on Uber Cash.

The Amex Benefit may be applied to all vehicle types with Uber, orders on Uber Eats and to any other services to which Uber permits Uber Cash to be applied. If your Uber Cash balance does not satisfy the cost of your ride or order, the primary payment method on your Uber account will be charged for the difference.

The Amex Benefit will not apply to previous Uber transactions and cannot be used when paying with an UberFAMILY profile. New and existing Uber users are eligible. Uber will apply the Amex Benefit at the point of sale and it will be displayed on your emailed receipt. There is no limit to the number of transactions you may apply your Amex Benefit to each month, up to a total of \$10 per month.

Your monthly Amex Benefit expires at 11:59 PM Hawaii Standard Time on the last day of each calendar month. Unused balance in Uber Cash from your Amex Benefit will not carry over to the following month. Your Amex Benefit will be applied for the month in which the transaction is completed. If a transaction is eligible for another promotion that you have added to your Uber account, the promotion will be applied before your Amex Benefit.

Certain other types of balances in Uber Cash may be applied to the cost of your ride or order prior to your Amex Benefit in Uber Cash. For purposes of fulfilling this benefit, American Express will share with Uber certain information about your Card, including the Card type, and updated Card information from time to time. If you do not wish to receive the Amex Benefit, please call the number on the back of your Card. If you do not see the Amex Benefit in Uber Cash by 5:00 PM Hawaii Standard Time on first of the calendar month, call the number on the back of your Card for assistance.

Pay It Plan It® **Pay It®**

Pay It® is only available in the American Express App® for your eligible Account. With the Pay It feature, you can make a payment equal to the amount of a billed purchase less than \$100. Your account is eligible for Pay It if you are a Basic Card Member or Additional Card Member of a Card account issued by a U.S. banking subsidiary of American Express that is not canceled, excluding Accounts that do not have either a Credit Limit or the Pay Over Time feature. Prepaid Cards and products, American Express Corporate Cards, American Express Small Business Cards and American Express-branded Cards or account numbers issued by other financial institutions are not eligible.

If you have a Card with a Credit Limit, you may also be able to select a qualifying amount of \$100 or more and a plan duration. When creating a plan for purchases, you may select up to 10 qualifying purchases for each plan that you create in your American Express online Account. However, you may select only one qualifying purchase for each plan that you create in the American Express App. Plan duration options may vary depending on the total dollar amount of the qualifying purchases (or qualifying amount, if you have a Card with a Credit Limit) you move into a Plan. Qualifying purchases will be identified in your American Express online Account and American Express App. Qualifying purchases (or a qualifying amount, if you have a Card with a Credit Limit) do not include purchases of cash or cash equivalents, purchases subject to Foreign Transaction Fees, or any fee owed to us, including Annual Membership fees. Unless you are creating a plan at checkout, please allow 2-3 days for your purchase to post to your account. Once your purchase posts and is no longer pending, you can create a plan for that purchase.

Your ability to create plans will be based on a variety of factors such as your creditworthiness, and your Credit Limit or Pay Over Time Limit, as applicable. The Pay Over Time Limit applies to the total of your Pay Over Time, Cash Advance, and Plan balances. You may not be able to create a plan if it would cause you to exceed your Pay Over Time Limit or cause your Plan balance to exceed 95% of your Account Total New Balance on your last billing statement. You will not be able to create plans if your Pay Over Time feature is suspended or your Account is canceled. You will also not be able to create plans if one or more of your American Express Accounts is enrolled in a payment program, has a payment that is returned unpaid, or is past due. The number and length of plan duration options offered to you, the number of active plans you can have at a time, and your ability to include multiple qualifying purchases in a single plan, will be at our discretion and will be based on a variety of factors such as your creditworthiness, the purchase amount(s), and your Account history. After a plan is paid in full, it will be removed from your Account in the next billing period.

Plan It is available on Card Accounts issued by a U.S. banking subsidiary of American Express, excluding Accounts that do not have either a Credit Limit or the Pay Over Time feature. Only the Basic Card Member or Authorized Account Managers on the Account can create a plan. Prepaid Cards and products, American Express Corporate Cards, American Express Small Business Cards and American Express-branded Cards or Account numbers issued by other financial institutions are not eligible.

Pay Over Time

Eligible charges

Purchases (including any associated foreign transaction fees) and Annual Membership Fees are eligible. The following types of charges are ineligible for Pay Over Time: Cash Advances, including cash and other cash equivalents, certain insurance premiums, and any other fees owed to American Express. If you have an Introductory APR, the rate applies to new eligible purchases (excluding Annual Membership Fees) made starting the day your Card is approved through the end of the introductory promotional period up to your Pay Over Time Limit.

Pay Over Time

The Pay Over Time feature on your account has two settings: Active and Inactive. At Account opening, the Pay Over Time feature on your Account is set to Active. This means all eligible charges made on your account will automatically be added to your Pay Over Time balance. If the Pay Over Time feature is active at 8 p.m. Eastern Time on the transaction date provided by the merchant or on the date when an eligible Annual Membership Fee is charged to your Account, then we will automatically add the charge to your Pay Over Time balance. The transaction date provided by the merchant may differ from the date you made the purchase if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date. If the Pay Over Time feature is inactive at 8 p.m. Eastern Time, no new charges will be automatically added to your Pay Over Time balance. To view or change your Pay Over Time setting, visit your online account or call the number on the back of your Card.

Pay Over Time Limit

We assign a Pay Over Time Limit to your Account. The Pay Over Time Limit applies to the total of your Pay Over Time, Cash Advance, and Plan balances. Your Pay Over Time balance cannot exceed your Pay Over Time Limit. When there is a delay in posting cash advances or plans to your Account, the total of your Pay Over Time, Cash Advance, and Plan balances may exceed your Pay Over Time Limit. We may approve or decline a charge regardless of whether your card account balance exceeds or does not exceed your Pay Over Time Limit. This is not a spending limit. You must pay at least the Minimum Payment Due by the Payment Due Date each month. The Minimum Payment Due includes all charges that were not added to a Pay Over Time and/or Cash Advance or Plan balance plus a portion of your Pay Over Time and/or Cash Advance balance, any interest accrued, and any Plan Payment Due.

Interest on Your Pay Over Time Balance(s)

For charges added automatically to a Pay Over Time balance, we will charge interest beginning on the date of each charge. We will not charge interest on charges automatically added to your Pay Over Time balances if you pay the Account Total New Balance by the Payment Due Date each month. You must pay in full, by the Payment Due Date, all charges that are not added to a Pay Over Time, Cash Advance, or Plan balance. We will begin charging interest on cash advances on the transaction date.

Welcome. If you use points for products through membershiprewards.com, you accept these Conditions of Use. Please read them carefully.

When using points for products through membershiprewards.com you are purchasing directly from a merchant, not from American Express. Participating merchants determine (i) product prices and availability, (ii) offers, promotions and applicable restrictions, (iii) estimated shipping and (iv) estimated tax, all of which are subject to change and are only confirmed in the order confirmation email sent by the merchant.

USE OF THIS SITE

You agree to use this site for lawful purposes only. American Express reserves the right to interrupt or restrict your access to this site, without notice to you, if we suspect fraudulent or abusive activity. USE OF MEMBERSHIP REWARDS POINTS

For accounts that qualify, Membership Rewards points will be deducted for the purchase amount displayed at checkout; such amount includes estimated tax and estimated shipping/handling charges. A debit for the purchase, including actual tax and actual shipping/handling charges, will be issued by the participating merchant and a credit for the purchase amount displayed at checkout, will be issued to the Card account selected during checkout. Please note: The debit and the credit may not appear on the same statement. If a charge for a purchase is included in a Pay Over Time balance on your Card account the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead the statement credit may be applied to your Pay In Full balance. If you believe this has occurred, please contact us by calling the number on the back of your Card.

Permitted returns of merchandise may result in a credit on your Card account. You can convert this credit back into points by calling Membership Rewards.

The following Membership Rewards enrollees are not eligible to use points to purchase products through membershiprewards.com:

- Membership Rewards enrollees with any account that is canceled, past due or has a return payment outstanding.

REJECTED ORDERS

If we are unable to place your order with the participating merchant you have selected, your order will be cancelled. If this occurs, you will receive an email notifying you of the order cancellation. If you have an active Membership Rewards program account, the points associated with the cancelled order will be returned to your program account. As a result, the Card account you selected at checkout will have both a statement credit and a reversal of that statement credit for the dollar amount associated with the points you redeemed for the cancelled order. If you have an inactive program account, the points you redeemed for the cancelled order will not be returned to your program account and you will have a statement credit for the dollar amount associated with the points you redeemed for the cancelled order on the Card account you selected at checkout.

PRODUCT DESCRIPTIONS

You acknowledge that participating merchants provide their own product descriptions. American

Express does not warrant that such product descriptions of the site are accurate, complete, reliable, current, or error-free.

CONFIRMING PRICES

The price for the items in your Shopping Cart reflects the most recent price provided to American Express by the merchant. Please note that this price may differ from the price shown for the item when you first placed it in your cart. If during order placement with the merchant, an item's price is higher than the price indicated at checkout on the site we will cancel your order and notify you of such cancellation. However, if the shipping or tax charges are higher than the estimates indicated on the site, we will proceed with and place your order

ShopRunner

ShopRunner Benefit Terms and Conditions

Enrolling in the Benefit.

To get the free ShopRunner membership benefit compliments of American Express (the "benefit"), you must go to www.shoprunner.com/americanexpress and verify your eligibility for the benefit with an eligible Card account number and then complete the sign up for a ShopRunner membership account ("ShopRunner account"). For details on how the ShopRunner membership works, please see the ShopRunner Terms and Conditions at <https://www.shoprunner.com/terms/sr/> which govern the use of your ShopRunner membership benefit.

You may also be able to enroll in this benefit through access provided to ShopRunner at participating online stores or through an email provided by American Express if it has determined that you have an eligible Card.

An "eligible Card" means an American Express U.S. Consumer or Small Business Credit or Charge Card that is not cancelled and that is issued to you by a U.S. banking subsidiary of American Express. Prepaid Cards and products, American Express Corporate Cards and American Express-branded Cards or account numbers issued by other financial institutions are not eligible. ShopRunner will verify with American Express the eligibility of your Credit or Charge Card account number for the benefit.

Maintaining the Benefit.

To maintain this benefit on your ShopRunner account, you must maintain an eligible Card. The benefit may be cancelled on your ShopRunner account if you do not have an eligible Card. You can maintain only one benefit per eligible Card.

During your enrollment in the benefit, ShopRunner and American Express will verify your benefit eligibility.

Treatment of Existing ShopRunner Memberships.

If you enroll in the benefit and sign up with an existing ShopRunner account, ShopRunner will cancel the term of your existing ShopRunner account.

If you paid a fee for any unused portion of the cancelled term of membership, ShopRunner will provide you with a pro rata refund for that portion in accordance with ShopRunner's refund policy. The refund will be processed within 2-4 weeks after enrollment and will be issued to the payment method you used to pay the fee.

If a portion of the cancelled term of membership was promotional or free, the free period will be cancelled by ShopRunner and forfeited by you. If you currently have a free or promotional membership on your ShopRunner account, you should consider whether to enroll in the benefit at this time.

General Terms.

An eligible Card can be used to verify eligibility for only one benefit enrollment. American Express may receive and use your personal data from ShopRunner, which may include personally identifiable information and Credit Card information, to determine eligibility and further develop features and

services related to the benefit. American Express may send you emails regarding your enrollment in this benefit. Any information American Express collects from you or from ShopRunner shall be governed by the American Express Online Privacy Statement (<https://www.americanexpress.com/privacy>). American Express may change, modify, cancel, revoke, or terminate this benefit at any time.

You can review these Terms and Conditions at any time by visiting <https://www.shoprunner.com/terms/amex/>.

Spending Limits

When you request that we apply a limit as described below on Charges incurred by an Additional Card Member on your Account, you agree to these terms. These terms supplement, and are incorporated by reference into, the terms of your Card Member Agreement.

At your request, we may agree to apply a limit to the total dollar amount of Purchases, during each billing period, that are charged to Card numbers associated with one or more specified Additional Card Members on your Account. At your request, we may agree to apply a limit to the total dollar amount of cash access transactions at ATMs, during each billing period, that are made using Card numbers associated with one or more specified Additional Card Members on your Account. If we agree to apply a limit, it is not a guarantee that the Additional Card Member will be able to make Purchases or cash access transactions up to the applicable limit. In applying any limit we will not take into account any credits (such as for returned merchandise or for payments), even if a credit relates to a Purchase made by the Additional Card Member. Any request that we change a limit may not be effective until a subsequent billing period. Any Charges (as defined below) incurred by the Additional Card Member prior to the date during a billing period that we apply the limit will not be subject to the limit for that billing period.

Because of systems or administrative considerations, arrangements with merchants, or for other business reasons, we may, but are not required to, treat some Purchases and/or cash access transactions (collectively, Charges) as not being subject to any such limits. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. While we typically require merchants to obtain an authorization for purchases and submit final transaction documentation for payment in a timely manner, a limit may not apply or may be exceeded when a merchant does not obtain an authorization for any reason; when a merchant obtains an authorization for a partial amount of the final charge submitted to us for payment; or when such submissions are not submitted or processed at the same time that the authorization is obtained. Examples may include, but are not limited to: Charges made outside of the U.S., in duty-free stores, or on board airplanes or cruise vessels; international airline ticket Purchases; vehicle rentals; lodging stays extended beyond original reservation period; certain mail order Purchases; Purchases billed on a recurring basis; Purchases at gas stations; telecommunications charges, including charges incurred with calling cards; taxicab charges; security deposits; late, damage or other fees in connection with rentals; Purchases billed in installments; restaurant tips and other gratuities; and Charges that occur before the end of billing period, if the Charge is posted to your Account after the Closing Date of that billing period. Any limit will not be applied to Charges for foreign currency or for travelers cheques or gift cheques obtained other than by telephone from us.

The Spending Limit for the Additional Card Member(s) is optional. If no Spending Limit is set on the Additional Card, spending capacity on this Card will be subject to the Basic Card Member's account terms and conditions.

The American Express Auto Purchasing Program Disclosure

For a Configured Vehicle, the Guaranteed Savings represents the amount that a Certified Dealer guarantees that you will save off the MSRP on any in-stock vehicle that is the same make, model, and trim as your Configured Vehicle. The Guaranteed Savings for your Configured Vehicle is based on a vehicle without factory or dealer installed options and includes generally available manufacturer incentives. For an In-Stock Vehicle, the Guaranteed Savings represents the amount that the Certified Dealer guarantees that you will save off the MSRP of the vehicle with the specific VIN listed and includes savings on factory-installed options. If you change your vehicle or the optional features, it will change your savings. For full Terms and Conditions, see amexnetwork.truecar.com.

The Gold Card Membership Rewards

You will earn one point for each dollar charged for an eligible purchase in each billing period on The American Express Gold Card. You will earn: 3 additional points (for a total of 4 points) for each dollar charged at restaurants worldwide; 3 additional points (for a total of 4 points) on the first \$25,000 of eligible purchases per calendar year at supermarkets located in the U.S. (superstores, convenience stores, warehouse clubs, and meal-kit delivery services are not considered supermarkets); and 2 additional points (for a total of 3 points) for airfare on a scheduled flight charged directly with passenger airlines (charter flights and private jet flights are excluded) and airfare charged directly with [amextravel.com](https://www.amextravel.com). You may not earn additional points for purchases at a restaurant located within another establishment (e.g. a restaurant inside a hotel, casino, or event venue). For example, purchases made at a restaurant located within a hotel may be recognized as a purchase at a hotel, not a restaurant. You also will NOT earn additional points for purchases at bars, nightclubs, cafeterias, and convenience stores. Eligible purchases are purchases for goods and services minus returns and other credits. Eligible purchases do NOT include fees or interest charges, cash advances, person to person payments, purchases of gift cards, purchases of travelers checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. Additional terms and restrictions apply. Merchants are assigned codes based on what they primarily sell. We group certain merchant codes into categories that are eligible for additional points. A purchase with a merchant will not earn additional points if the merchant's code is not included in an additional points category. You may not receive additional points if we receive inaccurate information or are otherwise unable to identify your purchase as eligible for an additional points category. For example, you may not receive additional points when: a merchant uses a third-party to sell their products or services; or a merchant uses a third-party to process or submit your transaction to us (e.g., using mobile or wireless card readers); or you choose to make a purchase using a third-party payment account or make a purchase using a mobile or digital wallet. Please visit americanexpress.com/rewards-info for more information about rewards.

The Hotel Collection Program

The Hotel Collection benefits are available for new bookings of two consecutive nights or more made through American Express Travel with participating properties and are valid only for eligible U.S. Consumer and Business Gold Card, Platinum Card[®] and Centurion[®] Members (Delta SkyMiles[®] Gold and Platinum Card Members are not eligible). Benefits cannot be redeemed for cash and are not combinable with other offers unless indicated. Benefits must be used during the stay booked. Any credits applicable are applied at check-out in USD or the local currency equivalent. Benefits, participating properties, and availability and amenities at those properties are subject to change.

Trip Delay Insurance

Coverage is provided by New Hampshire Insurance Company, an AIG Company, at no-additional-cost to the Card Member. Coverage is subject to certain terms, conditions and limitations, including limitations on the amount of coverage. This benefit provides secondary coverage. For more information about the coverage, please see the Guide to Benefits at americanexpress.com/TDTerms.

Upgrade with Points Terms and Conditions

When you use Upgrade with Points to request an airline ticket upgrade, three things will happen: (i) If the airline upgrades your ticket(s), your Card Account will be charged for the upgrade; (ii) American Express will deduct the Membership Rewards points you offered for the upgrade from your program account; and (iii) American Express will apply an accompanying credit to your Card Account for those points. If the airline upgrades your ticket(s) and the number of points available in your Membership Rewards program account is less than the number of points you originally offered, American Express will deduct only the number of points available and you will receive an accompanying credit only for that number of points. The credit to your Card Account may appear during a different billing cycle

than the charge for upgrade. You are still responsible for paying the amount due on your Card statement by the due date. Any applicable taxes and fees in connection with an airline ticket upgrade will be charged to your Card Account and cannot be covered with points. The value of the points you offer is determined at the time your upgrade offer is accepted by the airline and may change after your upgrade offer has been submitted if you subsequently upgrade or downgrade your Card Account. Once accepted by the airline, your upgrade offer is nonrefundable, non-changeable, and points cannot be returned to your Membership Rewards program account.

Each airline determines whether to accept upgrade offers and which upgrade offers it will accept based on factors it determines in its discretion, including the amount of an offer. While it is possible for airlines to accept an upgrade offer at any time after offer submission, most upgrades are processed between 5 and 1 days before departure, and some are processed as close as 1 hour before departure. If your flight reservation includes tickets for more than one passenger, the tickets for all passengers on the reservation will be upgraded if your upgrade offer is accepted by the airline. If you would like to upgrade only certain passengers, you must contact the airline to split your reservation prior to requesting an upgrade.

If your Card offers additional points for flights purchased directly from an airline, you will not receive additional points for your upgrade purchase.

Participating airlines' Terms & Conditions apply. Participating airlines are subject to change at any time without notice. Participating airline products and services are subject to change. American Express reserves the right to cancel any upgrade offers or discontinue the Upgrade with Points program at any time.

If you use a Pay Over Time feature for a purchase using Upgrade with Points, the statement credit you receive may not be applied to that feature. Instead, it might be applied to your Pay in Full balance. If you think this has happened, please call us using the number on the back of your Card.

Using Points for Charges

You can use points to cover eligible charges on your Card Account only if you're the Basic Card or Basic Business Card Member. You also may be able to use points for this purpose if you're the Account Manager or Rewards Manager for a Card Account. Corporate Card Members are not eligible.

The list of eligible charges can change from time to time without notice. We do not have to make any charges eligible for you to cover with points.

Generally, an eligible charge is one that:

- Occurs in the U.S. or in a U.S. territory
- Appears in your recent activity online or in your current statement
- Has never been disputed
- Is at least \$1

You may use points only toward the entire amount of an eligible charge.

We'll deduct the points from your Rewards Account right away and we'll credit your Card Account within 48 hours.

If we process the credit after your Card Account's closing date, it will not appear until your next statement. In this case, you must still pay the amount due on your current Card statement by the due date.

Offer Terms

If a limited time offer appears, it is valid for solicited U.S. Membership Rewards® program enrollees only. Offer is not transferable and may not be combined with other offers. American Express in its sole discretion reserves the right to alter and or terminate this offer at any time. If you return to redeem points later, this offer may no longer be available. To be eligible to receive this offer, all Card accounts linked to an enrollee's Membership Rewards program account must not be canceled, past due or have a returned payment outstanding at the time of point redemption. Individual terms, conditions and restrictions apply to the respective Membership Rewards offers.

Year-End Summary
