Standard text messaging and/or calling charges may apply.

About This Offer: You must be at least 18 years of age. **This offer is available only to applicants who are residents of the United States, with the exception of the US territories.** You may not be eligible for this offer if you currently have or previously had an account with us in this Program. In addition, you may not be eligible for this offer if, at any time during our relationship with you as the issuer of an account in this Program, we have cause, as determined by us in our sole discretion, to suspect that the account is being obtained or will be used for abusive or gaming activity (such as, but not limited to, obtaining or using the account to maximize rewards earned in a manner that is not consistent with typical consumer activity and/or multiple credit card account applications/openings). The APRs noted above are current as of 12/31/2024 using a Prime Rate of 7.5%.

***Important Information About Procedures for Opening a New Account:** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to you: When you apply for an account, we will ask for your name, street address, date of birth, social security number, and other information that will allow us to identify you. We may also ask to see copies of identifying documents. We also ask for country of citizenship.

Balance Transfers. Here's How it Works: To request a balance transfer please enter the 15/16 digit account number from the Mastercard, Visa, American Express, or Discover Card account that you want us to process a balance transfer from. If the total amount you request exceeds the assigned credit line on your new account, we may either decline the request or send a partial payment to your creditor(s). The amount of available credit on your new account will be reduced by the amount transferred and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date. You should not transfer the amount of any disputed purchase or other charge. If you do, you may lose your dispute rights.

Upon approval of your application we will process the requested balance transfer payment to the account(s) which you have requested on the 10th day after we've mailed you your card; during this 10 day time period you may cancel your balance transfer by contacting us at the number on the back of your card. A balance transfer may take up to 4 weeks to post to your other accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, Mastercard, American Express or Discover Card account, please call the phone number on the back of your new credit card once you are approved. Balance transfers are subject to availability. We may deny balance transfer requests at any time and for any reason.

How to Avoid Paying Interest on Purchases (excluding Easy Pay): You can avoid paying interest on purchases if you pay your purchase balance subject to interest (excluding Easy Pay Offers) plus any monthly Easy Pay Payment Amount in full by the Payment Due Date every month. If you do not pay your purchase balance subject to interest (excluding Easy Pay Offers) plus any monthly Easy Pay Payment Amount by the due date each month, you will pay interest from the date purchases are posted to your account until the date you pay those Purchases in full. To avoid a late fee, you should pay at least the minimum payment due on your account each month.

Credit Limit: We do not permit applicants to request a specific credit limit. We do not consider a request for a balance transfer made with an application to be a request for a particular credit limit. We determine the credit limit on your account independent of and prior to processing any balance transfer request.

Cash Equivalent Purchases: The purchase of money orders, travelers' checks, foreign currency, lottery tickets, gambling chips, wire transfers and other similar transactions are treated as cash advances. Please see your Cardmember Agreement for details.

New York Residents: New York residents may contact the New York State Department of Financial Services by telephone (800) 342-3736, or visit the website, www.dfs.ny.gov, for free information on comparative credit card rates, fees and grace periods.

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Notice to Married Wisconsin Residents: No marital property agreement, unilateral statement or court decree under Wisconsin's marital property law will adversely affect our interests unless before your account is opened, you give us a copy of the agreement, statement or decree or we have actual knowledge of it. You understand that we may be required to give notice of this account to your spouse. If the credit for which you are applying is granted, you must give us your spouse's name and address by writing to us at Barclays Bank Delaware, PO Box 8801, Wilmington, DE 19899.
